

HighRoller Technical Form

“Solid Wood” Fishing Lures - Made in the USA

The single most important characteristic of HighRoller Fishing Lures is, they catch fish!

The owner's of HighRoller are dedicated to manufacturing only the highest quality, solid wood, salt and freshwater ready lures available on the market today. Our lures are custom made to internalize confidence in the fisherman that fish them. We know that confidence in a lure is the most important factor in catching fish.
